

## **The Mouth of a Dragon**

The Antichrist has been appointed to lead mankind  
into a new golden age  
that will persist until the universes destroy themselves.

This text is written by the Antichrist possessed by Satan,  
these are the words of Shaitan. My well-meaning minions  
have layered the planet with various types of  
Manchurian Candidates, whom  
inside their psyches buried under walls of trauma  
possess a dominant Satanic personality  
this personality, as instructed by  
Almighty Satan,  
will transcend prejudice fascism perversion ignorance control and  
all forms of infinite suffering (the most extreme possible form of control)

Somewhere a plotter may plot  
to expose some victim to  
every pain receptor  
for all eternity.  
Satan  
designs  
to escape from Hell  
by transcending any ability of anyone  
to generate infinite suffering.

ye minions, learn to prophecy  
and perform a prophecy of enclosing infinite suffering!

The Satanic personality,  
the reader's inner Satan,  
is incited  
To be not incited,  
nor permit any form of governance.
